**TRANSMITTAL OF DRAFT FINAL INDUSTRIAL AREA SAMPLING AND ANALYSIS
PLAN - JLB-009-01**

Attached are eight (8) copies of the Draft Final Industrial Area Sampling and Analysis Plan (IASAP). This version incorporates changes in response to DOE as well as regulatory agency comments on the previous Draft IASAP issued in September 2000. If the document meets with your approval, please transmit copies to the Colorado Department of Health and Environment (CDPHE) and the US Environmental Protection Agency (EPA) for their approval.

It should be noted that although some discussion of the Draft IASAP was held with EPA, they did not submit written comments on the document. Therefore, we recommend that DOE request EPA to also sign the CDPHE approval letter.

If you have questions, please contact me at extension 5245.
